

To everyone involved in the P Nut fund,

We want to thank you for your extremely generous donation that is affording us the opportunity to use the Smart Glove with our clients here at Children's Hospital of Wisconsin. This technology is new, it allows us to provide cutting edge intervention for children diagnosed with a variety of neuromuscular disorders. We trialed the product with a number of the children we work with. After completing this trial we found that every child and every therapist who used this Smart Glove had an overall positive experience! It is very motivating for the children. The company has flexible options for it to be used in home programs if families are interested, (this involves a rental unit) so it offers carry-over options as well! We are thrilled to have this Smart Glove available to use with the children we treat! Thank you for your generosity!

Sincerely,
Christine Cays, Elizabeth
Ann M. Becker

I have found that the smart glove is extremely motivating to our kiddos! Thank you for your donation. I can not wait to use this more in my treatment sessions! - Jenna Dieringer

I am so excited to use the Smart Glove with our kids! During the trial, I found that it was very motivating for the children and allowed for the therapist to be creative with new treatment strategies/ideas. Thank you so much for your donation, we truly appreciate it!
- Laura Chirrupes

PNT fund, I would like you to know the hope & joy you provide to the children with neurologic involvement and the therapists treating them. I have seen their smiles! It warms my heart as I know it will yours. Please know you have provided a ripple effect that we will pass forward. Thank you for trusting us with your donation. We are grateful!
Lillian Markt

Thank you so much for the generous donation of the smart glove. We are super excited to use this with our patients! Laura Clope
This will be a great tool and engaging for the kids to be able to progress their rehab. Thanks Fitzhugh

The Smart Glove was a wonderful addition to our therapy strategies during our trial and I am beyond excited to have it as a permanent addition to our clinic.
Thank you for your generosity! -Liz Sikorski, OT
